

ROBERT LEFEBVRE'S

GWAL PROJECT ACCOMPLISHMENTS

RINK OF DREAMS CITY HALL, OTTAWA

A 1,140 m² refrigerated outdoor skating rink outside Ottawa City Hall. The project included the rink, a new building to house the ice resurfacer, a new refrigeration plant room within the existing parking garage, coordination of rink board LED lighting system and site lighting.

Goodkey, Weedmark & Associates Limited donated their time for this project to the **Ottawa Senators Foundation**.

Owner: City of Ottawa

Project Location: Ottawa, ON

Construction Completion: 2012

Building Type: Outdoor Refrigerated Ice Rink
